Chief Executive Officer

Dated March 10, 2017

Winmark Corporation
605 Highway 169 North, Suite 100
Minneapolis, Minnesota 55441
Annual Meeting of Shareholders
April 26, 2017

PROXY STATEMENT

GENERAL

The Annual Meeting of Shareholders of Winmark Corporation will be held on Wednesday, April 26, 2017, at 3:00 p.m., Central Daylight Time, at our corporate offices, 605 Highway 169 N, Suite 100, Minneapolis, Minnesota 55441, for the purposes set forth in the Notice of Annual Meeting of Shareholders.

The enclosed proxy is solicited by our Board of Directors. Such solicitation is being made by mail and may also be made by directors, officers and regular employees of Winmark personally or by telephone. Any proxy given pursuant to such solicitation may be revoked by the shareholder at any time prior to the voting thereof by so notifying us in writing at the above address, attention: Corporate Secretary, or by appearing in person at the meeting. Shares represented by proxies will be voted as specified in such proxies, and if no choice is specified, will be voted in accordance with the Board's recommendations: FOR Proposal #1 to set the number of members of the Board of Directors at eight, FOR each of the eight nominees set forth in Proposal #2 to serve for a one year term, FOR Proposal #3 to approve an amendment to the 2010 Stock Option Plan to increase the shares available by 200,000 shares, from 500,000 to 700,000, FOR Proposal # 4 ratifying the appointment of GRANT THORNTON LLP as our independent registered public accounting firm for the 2017 fiscal year. With respect to any other matter that properly comes before the Annual Meeting, John L. Morgan and Kirk A. MacKenzie, will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

Shares voted as abstentions on any matter (or a "withhold authority" vote as to directors) will be counted as present and entitled to vote for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but will not be deemed to have been voted in favor of such matter. If a broker submits a "non-vote" proxy, indicating that the broker does not have discretionary authority to vote certain shares on a particular matter, those shares will be counted as present for purposes of determining a quorum, but will not be considered present and entitled to vote for purposes of calculating the vote with respect to such matter.

Effect of Not Casting Your Vote. If you hold your shares in street name it is critical that you cast your vote if you want it to count in the determination of the size of the Board, the election of eight directors, and the approval of the amendment to the option plan (Proposals 1, 2 and 3 of this Proxy Statement). Your bank or broker is not permitted to vote your uninstructed shares in determining the size of the board, the election of directors or the approval of compensation plans (including amendments) on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of directors and approval of the amendment to the option plan, no votes will be cast on your behalf on Proposals 1, 2 and 3. Your bank or broker does have discretion to vote any uninstructed shares on the ratification of the appointment of the Company's independent registered public accounting firm (Proposal 4 of this Proxy Statement). If you are a shareholder of record and you do not cast your vote, no votes will be cast on your behalf on any of the items of business at the Annual Meeting.

All of the expenses involved in preparing, assembling and mailing this proxy statement and the material enclosed herewith will be paid by Winmark. Winmark may reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy material to beneficial owners of stock. This proxy statement and accompanying form of proxy are first being mailed to shareholders on or about March 29, 2017.

OUTSTANDING SHARES AND VOTING RIGHTS

The Board of Directors has fixed March 6, 2017, as the record date for determining shareholders entitled to vote at the Annual Meeting. Persons who were not shareholders on such date will not be allowed to vote at the Annual Meeting. At the close of business on March 6, 2017, 4,169,769 shares of our Common Stock were issued and outstanding. Common Stock is the only outstanding class of capital stock entitled to vote at the meeting. Each share of Common Stock is entitled to one vote on each matter to be voted on at the meeting. Shareholders are not entitled to cumulative voting rights.

Under applicable Minnesota law, approval of each of the proposals to be voted on at the meeting except the election of the nominees requires the affirmative vote of the holders of the greater of (i) a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter or (ii) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting. The election of the nominees requires the affirmative vote by a plurality of the voting power of the shares present and entitled to vote on the election of directors at a meeting at which a quorum is present.

**ELECTION OF DIRECTORS
(Proposals #1 and #2)**

At the meeting, the Board of Directors is to be elected to hold office until the 2018 Annual Meeting or until successors are elected and have qualified. Our Bylaws provide that the number of directors on our Board shall be fixed by the shareholders, subject to increase by the Board of Directors in an interim period between shareholder votes. The Nominating Committee recommended to the Board of Directors that the shareholders set the number of directors at eight. The Nominating Committee also recommended to the Board of Directors that the shareholders re-elect the nominees named below.

Shares represented by executed proxies will be voted, if authority to do so is not withheld, to set the number of directors at eight and for the election of the nominees named below, unless one or more of such nominees should become unavailable for election, in which event such shares shall be voted for the election of such substitute nominees as the Board of Directors may propose. Each person nominated has agreed to serve if elected, and we know of no reason why any of the listed nominees would be unavailable to serve.

Board Recommendation

The Board of Directors recommends that the shareholders vote FOR Proposal #1 to set the number of members of the Board of Directors at eight. The Board of Directors recommends that the shareholders vote FOR each of the eight nominees set forth in Proposal #2 to serve for a one year term.

CORPORATE GOVERNANCE

Code of Ethics and Business Conduct

We have adopted the Winmark Corporation Code of Ethics and Business Conduct (the "Code of Conduct"), that applies to our directors, officers and employees. The Code of Conduct is publicly available on our web site at www.winmarkcorporation.com. If we make any substantive amendments to the Code of Conduct or grant any waiver, including any implicit waiver from a provision of the Code of Conduct to our directors or executive officers, we will disclose the nature of such amendments or waiver on our web site or in a report on Form 8-K.

Leadership Structure of the Board

In accordance with Winmark's bylaws, our Board of Directors elects our Chief Executive Officer and our Chairman, and each of these positions may be held by the same person or may be held by two persons. The Board does not have a policy regarding whether the role of the Chairman and Chief Executive Officer should be separate.

Mr. Morgan currently serves as our Executive Chairman and Mr. Heffes currently serves as our Chief Executive Officer. Prior to Mr. Heffes being named to this position in February 2016, Mr. Morgan served as our Chairman and Chief Executive Officer. Mr. Heffes also serves on our Board of Directors. As Chief Executive Officer, Mr. Heffes is responsible for the active management, day-to-day leadership and performance of the Company, while Mr. Morgan, as Executive Chairman, presides over meetings of the full Board of Directors, provides guidance to the Chief Executive Officer on a variety of key issues and is responsible for long range strategic planning for the Company. Our Board of Directors has determined that Mr. Morgan's involvement as Executive Chairman while Mr. Heffes serves as Chief Executive Officer and a director benefits the Company as a result of Mr. Morgan's deep understanding of the Company's operations and extensive knowledge of the leasing industry.

Winmark has a Lead Director as well as a Vice Chairman, both of whom are nominated by the Governance and Nominating Committee and are elected by a majority of the independent directors. Our Lead Director presides over meetings of our independent directors and is an additional resource to the Board with respect to governance and financial matters. Our current Vice Chairman provides the board with expertise relating to equipment leasing.

After careful consideration, the Corporate Governance and Nominating Committee has determined that Winmark's current Board structure is the most appropriate leadership structure for Winmark and its shareholders given its ownership and operating structure.

Majority of Independent Directors; Committees of Independent Directors

The Board of Directors has determined that all of our non-executive director nominees (Ms. Grassle and Messrs. Barbeta, MacKenzie, Reyelts, and Wilson), collectively constituting a majority of the Board of Directors, are independent directors in accordance with rules of the NASDAQ since none of them are believed to have any relationships that, in the opinion of the Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Messrs. Morgan, Heffes and Zola are precluded from being considered independent by NASDAQ rules since they currently serve as executive officers of Winmark.

Each member of the Audit Committee, Compensation Committee and Nominating Committee has been determined, in the opinion of the Board of Directors, to be independent in accordance with NASDAQ rules.

Standing Committees

The Board of Directors has three standing committees, the Audit Committee, the Compensation Committee and the Nominating Committee. Each of these Committees' duties are set forth in a charter, which are available on our website at www.winmarkcorporation.com under the "Investor Relations" heading.

Audit Committee

The Audit Committee provides oversight by reviewing financial reports and other financial information of Winmark, reviewing our systems of internal control regarding finance, accounting, legal compliance and ethics, and reviewing our auditing, accounting and financial reporting process. The Audit Committee monitors our financial reporting process and internal control system. The Audit Committee coordinates, reviews and appraises the audit efforts of our independent registered public accounting firm. Further, the Audit Committee communicates directly with the independent accountants, financial and senior management and Board of Directors regarding the matters related to the Committee's responsibilities and duties. The Board has determined that Paul C. Reyelts, an independent director, is the Audit Committee financial expert given, among other factors, his prior experience as a chief financial officer of a NYSE-listed public company. The current Audit Committee members are Paul C. Reyelts (Chair), Lawrence A. Barbeta, Kirk A. MacKenzie and Mark L. Wilson. The Audit Committee held four (4) meetings during fiscal 2016.

Compensation Committee

The Compensation Committee's purpose is to assist the Board of Directors in the discharge of its responsibilities relating to (a) fair, reasonable, and competitive compensation practices for our executive officers and other key employees which are consistent with the our objectives; (b) oversight of broad-based employee compensation policies and programs; and (c) fair, reasonable and competitive compensation and benefit programs for our nonemployee directors. The current Compensation Committee members are Mark L. Wilson (Chair), Jenele C. Grassle and Paul C. Reyelts. The Compensation Committee held one (1) meeting during fiscal 2016.

The Compensation Committee's responsibilities, which are discussed in detail in its charter, include, among other duties, the responsibility to:

- Review and approve annually appropriate incentive compensation goals and objectives for the CEO and other executive officers.
- Consider and approve the base salary, incentive and equity-based compensation awards and other compensation actions for the CEO based upon an evaluation of the CEO's performance, effectiveness and other relevant considerations.
- Review and approve base salaries, incentive and equity-based compensation awards and other compensation actions for all other executive officers, based upon an evaluation of such officer's performance, effectiveness, the recommendations of the CEO and other relevant considerations.

Compensation decisions for nonemployee members of the Board of Directors, including equity awards, are made by the Compensation Committee. The Compensation Committee also makes decisions regarding the equity compensation of any other Winmark employees. The Compensation Committee has not elected to utilize the services of a compensation consultant in determining executive compensation, though they have the discretion to utilize the services of a consultant as outlined in the Compensation Committee's Charter. To the extent the Committee determines to expend in excess of \$5,000 during any fiscal year on consultants, it shall advise the Board of such excess expenditures.

Our Executive Chairman and our Chief Executive Officer, with the input of other officers at their discretion, provide the Compensation Committee with recommendations for the compensation of all executive officers and nonemployee directors.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee had no interlocks.

Nominating Committee

The purpose of the Nominating Committee is to advise the Board of Directors and provide oversight on matters related to (a) the selection and nomination of Board Members; and (b) the appointment of Board Committee Members. The current Nominating Committee members are Jenele C. Grassle (Chair), Paul C. Reyelts and Mark L. Wilson. The Nominating Committee held one (1) meeting during fiscal 2016.

Winmark does not have a formal policy with regard to the consideration of director candidates recommended by shareholders since it is our practice to consider director recommendations from any source. The Board is comprised of a majority of independent directors, which ensures consideration of director candidates from any source based on the criteria set forth below. Each Nominating Committee member is independent. The Board will consider director candidates recommended by shareholders according to the following membership criteria.

Board Membership Criteria

In selecting the new directors, the Nominating Committee shall consider any requirements of applicable law or listing standards, a candidate's strength of character, judgment, business experience and specific area of expertise, factors relating to composition of the Board, principles of diversity and such other factors as the Committee shall deem important.

The Nominating Committee will consider the attributes of the candidates and the needs of the Board and will review all candidates in the same manner, regardless of the source of the recommendation.

Shareholder Nomination of Directors

A shareholder who wishes to recommend one or more directors must provide a written recommendation to our Corporate Secretary at the address below. Notice of a recommendation must include:

with respect to the shareholder:

- name, address, the class and number of shares such shareholder owns;

with respect to the nominee:

- name, age, business address, residence address,
- current principal occupation,
- five year employment history with employer names and a description of the employer's business,
- the number of shares beneficially owned by the nominee,
- whether such nominee can read and understand basic financial statements, and
- membership on other boards, if any.

The recommendation must be accompanied by a written consent of the nominee to stand for election if nominated by the Board of Directors and to serve if elected by the shareholders. We may require any nominee to furnish additional information that may be needed, or interview a prospective candidate, to determine the eligibility of the nominee.

Risk Oversight

Our Board is charged with providing oversight of Winmark's risk management processes. Specifically, the Audit Committee is primarily responsible for overseeing the risk management function. In carrying out its responsibilities, the Audit Committee works closely with Winmark's Chief Financial Officer. The Audit Committee meets quarterly to discuss the financial affairs of the Company, and such other times as circumstances dictate. In addition, at least annually, the Audit Committee reviews a risk assessment and an overview of the risk management processes of the Company.

Meeting Attendance

During fiscal 2016, the Board of Directors held four (4) meetings. All directors attended at least 75% of the meetings of the Board of Directors and committees of the Board of Directors on which they served.

We have not adopted a formal policy with regard to Board Members' attendance at annual meetings of shareholders; however, all directors are encouraged to attend such meetings. All of the directors attended the Annual Meeting last year.

Shareholder Communications

Shareholders may communicate directly with the Board of Directors. All communications should be directed to our Corporate Secretary at the address below and should prominently indicate on the outside of the envelope that it is intended for the Board of Directors or for non-management directors. If no director is specified, the communication will be forwarded to the entire Board. Shareholder communications to the Board should be sent to:

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview of Compensation Structure

The Compensation Committee of the Board of Directors has the responsibility for approving, monitoring and generally overseeing compensation of each of the executive officers named in the Summary Compensation Table on page 12. We refer to these executive officers as our Named Executive Officers or NEOs. Our management team, particularly our Executive Chairman, John Morgan, and our Chief Executive Officer, Brett Heffes, provides the Compensation Committee with the information necessary to evaluate NEO compensation.

Compensation Philosophy

We believe that our success depends upon a team of senior officers working together to promote the growth and financial success of the Company rather than upon the individual performance of any one member of that team. As such, our compensation structure for NEOs emphasizes the collective accountability to our shareholders, employees, and to one another by examining the performance of the NEOs as a group. The NEOs' compensation structure is intended to provide each team member with the appropriate incentives to work towards the achievement of goals by the Company as a whole, and to encourage each NEO to remain a long-term contributor to our success.

We examine the overall success of our business and the effectiveness of the NEOs as a group to determine salary, bonus, and incentive compensation. Consistent with this philosophy, our policy is to examine a variety of financial and nonfinancial factors in their totality to determine NEO compensation, including the overall performance of the company against long-term financial and strategic objectives, cash flow, human resources management, and earnings per share. We do not tie any of the elements of NEO compensation to the attainment of a specific goal related to these or any other factors. Instead, we retain the flexibility to consider all compensation factors in their totality when awarding compensation.

Although our philosophy is to compensate NEOs as a group, we believe it is important to retain the flexibility and discretion to modify all elements of compensation awarded to individuals based upon their general business and company experience, leadership, potential future contribution, and the performance of the businesses for which they are responsible.

Our primary objectives in regard to executive compensation are to recruit and retain talented individuals using a compensation structure that rewards individuals for the overall success of our businesses while also maximizing shareholder value. Our compensation structure is designed to provide accountability among the NEOs, because the success of each business segment impacts the compensation received by all of the NEOs.

We receive feedback from shareholders on our compensation programs through the advisory vote on the compensation paid to our NEOs, which we held for the first time at the 2013 Annual Meeting of Shareholders and will hold every three years. At the 2013 Annual Meeting of Shareholders, the advisory vote on the compensation paid to our NEOs received over 80% approval of shares voted on the proposal. At the 2016 Annual Meeting of Shareholders, the Advisory Vote on the compensation paid to our NEO's received over 99% approval of shares voted on the proposal. We will continue to take this feedback into account when making decisions regarding NEO compensation.

Summary of Compensation Components

The primary components of compensation for NEOs are:

- Base Pay
- Annual Incentive Bonus
- Equity-Based Compensation

Base Pay. Base pay levels are typically considered by the Compensation Committee annually, and may also be considered upon a promotion or other change in job responsibility. Base pay provides the NEOs with regular compensation for services performed during the fiscal year, and is used to establish a pay range for the annual incentive bonus. The NEOs' base pay is designed to be competitive in the region, but is not specifically compared to a peer group. The NEOs' base pay is determined in part by examining awards from past years, both for NEOs as a group and for each individual NEO. Operating within the framework of compensating the NEOs as a team based upon the overall achievement of our long-term and short term goals, we have the discretion to adjust each NEO's salary based upon their individual performance, leadership and potential future contribution.

Annual Incentive Bonus. In addition to base pay, each NEO is eligible to receive an annual incentive bonus. The annual bonus for each NEO, awarded at the discretion of the Compensation Committee, may range in amount from 0% to 100% of that NEO's salary. The annual incentive bonus is designed to motivate and reward the NEOs as a group for furthering the achievement of the Company's short and long-term objectives during the fiscal year. This component of compensation also emphasizes the accountability each NEO has to contribute to the growth and financial success of the Company, and motivates the NEOs to achieve individual and group expectations. Ultimately, the performance of all the NEOs as a group and the performance of the Company determine the annual incentive bonus. Similar to base pay, at our discretion each individual NEO may have their bonus increased or decreased based upon the individual's performance, leadership and potential future contribution.

Long-Term, Equity-Based Incentive Compensation. The third primary component of compensation is long-term incentive compensation in the form of stock options. We use equity-based compensation in the form of stock option grants to align the interests of the NEOs with those of shareholders. Options granted to the NEOs by the Compensation Committee under our current employee stock option plan vest over time and such vesting is contingent upon the continued employment of the NEO, creating an incentive for the executive to remain an employee for an extended period. Typically, equity-based incentive compensation is awarded to NEOs by the Compensation Committee semi-annually on or about the first of June and during the Compensation Committee's December meeting, although the Compensation Committee retains the discretion to award options at any time. We restrict the number of individuals receiving stock options to NEOs and a small number of other key employees. Although previous awards are considered, the amount of options a NEO receives depends primarily upon the NEOs performance as a group, the total number of option shares recommended for issuance, and the total number of people included in the annual stock option grants. As with the other elements of compensation, we maintain the discretion to adjust each NEO's option award based upon their individual performance, leadership and potential future contribution.

Change of Control Payments, At-Will Employment and Payments Under Non-Competition Agreements. Our NEOs are at-will employees operating without employment contracts, with the exception of John Morgan, our Executive Chairman. None of our NEOs are awarded change-of-control payments, pension agreements, or pre-determined severance arrangements. Management believes that such guaranteed payments and agreements are not beneficial to the Company. Instead, by not committing to base salary, annual incentive bonuses or stock options over a long term, we preserve the flexibility to make a change if any NEO is underperforming expectations. Although we have in the past, and at our discretion may in the future, negotiate severance agreements with our NEOs upon their termination, we are under no obligation to do so. On January 23, 2015, Winmark entered into a Non-Competition Agreement (the "Agreement") with Steven C. Zola, a member of the Board of Directors of Winmark and President of Winmark Capital Corporation. The Agreement provides for a five year non-competition and non-solicitation period, as defined within the Agreement, for Mr. Zola and entitles Mr. Zola to additional compensation of \$370,000 per year in addition to his regular cash, incentive and equity compensation.

Consideration of Risk Related to Compensation Policies

We believe that our compensation policies, practices and programs work together to minimize exposure to excessive risk while appropriately pursuing strategies that emphasize maximizing shareholder value. The balance of the compensation components and the importance placed on the achievement of long-term financial and strategic objectives do not encourage risk-taking that is reasonably likely to have a material adverse effect on the Company.

Compensation Approval Process

Role of Executive Officers

Mr. Morgan, our Executive Chairman, has a unique perspective regarding the compensation of NEOs. As our largest individual shareholder, Mr. Morgan has a strong interest in maximizing shareholder value. Mr. Morgan, along with Mr. Heffes, our Chief Executive Officer, have access to and make decisions regarding all facets of our businesses, and have the ability to evaluate the performance of each NEO. They provide information to the Compensation Committee, who ultimately approves the compensation of our NEOs. Mr. Morgan has requested that he not be awarded stock options by the Compensation Committee.

Mr. Morgan and Mr. Heffes review the overall performance of all of our business segments and each individual NEO's performance, taking into account our compensation philosophy and the compensation factors described above. After receiving input from other NEOs at their discretion, Mr. Morgan and Mr. Heffes make an initial assessment regarding each element of compensation for the NEOs, including themselves. Their assessment is submitted to the Compensation Committee for discussion at its annual meeting in December. The final approval of all NEOs' compensation, including that of Mr. Morgan and Mr. Heffes, is at the sole discretion of the Compensation Committee.

Compensation Committee Process

The Compensation Committee meets annually to review and approve the compensation of our executive officers and non-employee directors, as well as to oversee broad-based employee compensation policies. The Compensation Committee reviews the recommendations of the Executive Chairman and the Chief Executive Officer regarding NEO annual incentive bonus compensation for the current year, NEO option grants for the current year, and NEO salaries for the following year, with the power to approve, modify or reject the proposed awards. The Compensation Committee is also responsible for determining compensation and annually evaluating the performance of the Chief Executive Officer.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

Executive Compensation Tables

The table below summarizes the total compensation paid or earned by each of the Named Executive Officers (“NEOs”) for the fiscal year ended December 31, 2016.

We entered into an employment agreement with John L. Morgan, our Executive Chairman, in March 2000, which has been subsequently amended three times. The most recent amendment, in 2006, clarified that Mr. Morgan’s base salary will be set annually by the Compensation Committee or a similar body of independent directors in its discretion. Pursuant to the agreement, Mr. Morgan may also receive a bonus determined by the Compensation Committee in its discretion. The agreement is terminable for any reason by either party upon 30 days written notice.

(1) All of the above-listed option awards were granted pursuant to the 2001 Stock Option Plan and the 2010 Stock Option Plan. Unless otherwise indicated, the option awards vest 25% per year for four years, beginning on the first anniversary of the option grant. Each option award was granted on the date 10 years prior to the expiration date, and expires on the indicated date, or earlier in the case of an employee's termination, disability or death.

Potential Payments Upon Termination or Change-in-Control

We have not entered into contracts or agreements with the NEOs, individually or as a group, guaranteeing payments to them upon any termination or a change of control of Winmark. However, our 2001 Stock Option Plan (“2001 Plan”) and 2010 Stock Option Plan (“2010 Plan”), which provide option awards to our NEOs, provide that optionees are eligible for certain benefits when a “Transaction” occurs, as defined therein. A “Transaction” includes the acquisition of the Company through the sale of substantially all of our assets or through a merger, consolidation, exchange, reorganization, reclassification, extraordinary dividend, divestiture or liquidation. Generally speaking, all of the outstanding and unvested stock options granted under the 2001 Plan and 2010 Plan become immediately exercisable upon the occurrence of a Transaction unless the Board selects to either: (a) terminate the 2001 Plan and 2010 Plan and cancel outstanding options not exercised prior to reasonable exercise period; (b) pay optionees, either in cash or shares of the surviving corporation’s stock, the difference between the fair market value of the stock price and the stock option exercise price; or (c) continue the 2001 Plan and 2010 Plan and allow optionees the right to exercise their respective options for an equivalent number of shares of stock of the succeeding corporation.

As of December 31, 2016, the NEOs had the following outstanding and unvested options to purchase shares of our Common Stock that could accelerate upon a change in control:

There were no reportable related party transactions in fiscal 2016.

Review, Approval or Ratification of Transactions with Related Persons

The Board of Directors has a formal written related party transaction statement of policy, which sets forth Winmark's policies and procedures for the review, approval or ratification of any transaction with a related party required to be reported in our company's filings with the Securities and Exchange Commission. The Audit Committee of the Board of Directors must approve any related party transaction subject to this policy before commencement of the related party transaction. The audit committee may, in its sole discretion, approve or deny any related party transaction. In the event Winmark's management becomes aware of a related party transaction that has not been previously approved by the Audit Committee, such transaction will be submitted to the Audit Committee, which has the authority to ratify, amend, terminate or rescind the transaction as deemed appropriate in its discretion.

AMENDMENT TO 2010 STOCK OPTION PLAN (Proposal #3)

General

As of December 31, 2016, the Company had 34,502 shares available to grant under the 2010 Stock Option Plan (the "2010 Plan"). In March 2017, the Board of Directors amended, subject to shareholder approval, the 2010 Plan to increase the shares of Common Stock reserved and available for issuance by 200,000 shares, from 500,000 to 700,000.

The Board of Directors believes that granting stock options to employees, officers, and directors is an effective means to promote the future growth and development of the Company. Such options and awards, among other things, increase these individuals' stake in the Company's success and enables the Company to attract and retain qualified personnel. The Board of Directors also believes that the 2010 Plan aligns the employees' goals and interests to those of the Company and its shareholders.

A more detailed description of the 2010 Plan is set forth below, but such description is qualified in its entirety by reference to the full text of the 2010 Plan, a copy of which may be obtained without charge upon written request to the Company's Chief Financial Officer and Treasurer.

Description of the 2010 Plan

Purpose. The purpose of the 2010 Plan is to promote the success of the Company by facilitating the employment and retention of competent personnel and by furnishing incentive to officers, directors, employees, consultants and advisors upon whose efforts the success of the Company and its affiliates will depend to a large degree.

Shares Available. Upon approval of the amendment, the 2010 Plan will provide for the issuance of up to 700,000 shares of Common Stock of the Company, subject to adjustment of such number in the event of future increases or decreases in the number of outstanding shares of Common Stock of the Company effected as a result of stock splits, stock dividends, combinations of shares or similar transactions in which the Company receives no consideration. If any options or stock awards granted under the 2010 Plan expire or terminate prior to exercise, the shares subject to that portion of the option or stock award are available for subsequent grants.

Term. Incentive stock options may be granted pursuant to the 2010 Plan until February 24, 2020, ten years from the date the 2010 Plan was adopted by the Board. Nonqualified options may be granted under the 2010 Plan until the plan is discontinued or terminated by the Board.

Administration. The 2010 Plan is administered by the Compensation Committee of the Board of Directors (the "Committee"). The 2010 Plan gives broad powers to the Committee to administer and interpret the 2010 Plan, including the authority to select the individuals to be granted options and to prescribe the particular form and conditions of each option granted.

Eligibility. All officers and employees of the Company or any subsidiary are eligible to receive incentive stock options pursuant to the 2010 Plan. All directors, officers and employees of, and consultants and advisors to, the Company or any subsidiary are eligible to receive nonqualified stock options pursuant to the 2010 Plan.

Options. When an option is granted under the 2010 Plan, the Committee, at its discretion, specifies the option price, the type of option (whether “incentive” or “nonqualified”) to be granted and the number of shares of Common Stock that may be purchased upon exercise of the option. In accordance with the 2010 Plan, the Committee may not grant more than 150,000 option shares in the aggregate to any one individual in a calendar year. The exercise price of an incentive stock option and, unless otherwise determined by the Committee, the exercise price of a nonqualified stock option, may not be less than 100% of the fair market value of the Company’s Common Stock on the date of grant. If an incentive stock option is granted to an individual who owns more than 10% of the voting rights of the Company’s common stock, the option exercise price may not be less than 110% of the fair market value on the date of grant. The term during which the option may be exercised and whether the option will be exercisable immediately, in stages or otherwise are set by the Committee, but the term of an incentive stock option may not exceed ten years from the date of grant. Each incentive stock option and, unless otherwise determined by the Committee, each nonqualified stock option granted under the 2010 Plan is nontransferable during the lifetime of the optionee. Each outstanding option under the 2010 Plan may terminate earlier than its stated expiration date in the event of the optionee’s termination of employment or directorship.

Amendment. The Board of Directors may, from time to time, suspend or discontinue the 2010 Plan or revise or amend it in any respect; provided, (i) no such revision or amendment may impair the terms and conditions of any outstanding option or stock award to the material detriment of the participant without the consent of the participant except as authorized in the event of merger, consolidation or liquidation of the Company, (ii) the 2010 Plan may not be amended in any manner that will (a) materially increase the number of shares subject to the 2010 Plan except as provided in the case of stock splits, consolidations, stock dividends or similar events, (b) change the designation of the class of employees eligible to receive awards; (c) decrease the price at which options will be granted; or (d) materially increase the benefits accruing to participants under the 2010 Plan without the approval of the shareholders, to the extent such approval is required by applicable law or regulation.

Federal Income Tax Consequences. Under present law, an optionee will not realize any taxable income on the date a nonqualified option is granted pursuant to the 2010 Plan. Upon exercise of the option, however, the optionee must recognize, in the year of exercise, ordinary income equal to the difference between the option price and the fair market value of the Company’s Common Stock on the date of exercise. Upon the sale of the shares, any resulting gain or loss will be treated as capital gain or loss. The Company will generally receive an income tax deduction in its fiscal year in which options are exercised, equal to the amount of ordinary income recognized by those optionees exercising options, and must withhold income and other employment-related taxes on such ordinary income.

Incentive stock options granted under the 2010 Plan are intended to qualify for favorable tax treatment under Code Section 422. Under Section 422, an optionee recognizes no taxable income when the option is granted. Further, the optionee generally will not recognize any taxable income when the option is exercised if he or she has at all times from the date of the option’s grant until three months before the date of exercise been an employee of the Company. The Company ordinarily is not entitled to any income tax deductions upon the grant or exercise of an incentive stock option. Certain other favorable tax consequences may be available to the optionee if he or she does not dispose of the shares acquired upon the exercise of an incentive stock option for a period of two years from the granting of the option and one year from the receipt of the shares.

Plan Benefits. Because future grants of options are subject to the discretion of the Committee, the future benefits that may be received by any individuals or groups under the 2010 Plan cannot be determined at this time. The following table shows the total number of stock options awarded as of March 6, 2017, to the following individuals and groups under the 2010 Plan.

Directors, officers and greater than ten percent shareholders are required by the regulations of the Commission to furnish us with copies of all Section 16(a) reports they file. AUDIT COMMITTEE REPORT

The Board of Directors maintains an Audit Committee comprised of four of Winmark's independent directors. The Board of Directors and the Audit Committee believe that the Audit Committee's current member composition satisfies the rule of the NASDAQ OMX Group, Inc. ("NASDAQ") that governs audit committee composition, Rule IM-5605-4, including the requirement that audit committee members all be "independent directors" as that term is defined by NASDAQ Rule 5605(a)(2).

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board of Directors with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of Winmark. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- (1) reviewed and discussed with management Winmark's consolidated audited financial statements as of and for the year ended December 31, 2016; and
- (2) discussed with the independent auditors the matters required to be discussed under applicable standards as periodically amended, including Auditing Standard No. 16, *Communications with Audit Committees*; and
- (3) received and reviewed the written disclosures and the letter from the independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and discussed with the independent auditors the independent auditor's independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Winmark's Annual Report on Form 10-K for the fiscal year ended December 31, 2016, as filed with the Securities and Exchange Commission.
